## Policy for Resource Mobilization

Every year Budget is prepared by Account staff in supervision of Principal in college committee and it is approved from governing body, according to budget expenditure is done.

### Income Source and expenditure

1. Salary for government aided posts - It will be deposited in respective account of employees by government of Maharashtra.
2. Tuition fees for under graduate, post graduate, PhD and other courses as per rules and regulations of Government of Maharashtra - It will be utilized for Day to day Maintenance of College as per need.
3. Other Incomes- Research Grants and CME grants as per rules and regulations of RAV, AYUSH. - This will be utilized under different head of expenditure according to need for that respective project.

Receipts from student's fees, scholarship, research & development, Funds from different bodies for conduct of program/activities will be kept in file and this information will be entered in tally for further use. According to Budgetary provisions this will be made for different heads. In Case if there is emergency expenditure occurs which is out of Budgetary provisions said expenditure will be done after due approval of governing body. For all expenditures rules prescribed by government of Maharashtra from time to time will be meticulously followed.
