## **Report on training programme for Mock Drill**

Title: Training of Jalaukavacharana

Date: 08/03/2024

Time: 11. 00 am to 1.00 pm

Venue: Clinical lab/ OPD

Resource person: Vd. Pankaj Dixit

Vd. Santosh Pathak

Participants: Interns, PG students, Paramedical Staff of Panchakarma department.

Details of Programme:

Jalaukavacharana (leech therapy) is a technique used for Raktamokshana (blood letting) . Leech is applied over affected area and all vitiated blood is sucked by the leech.

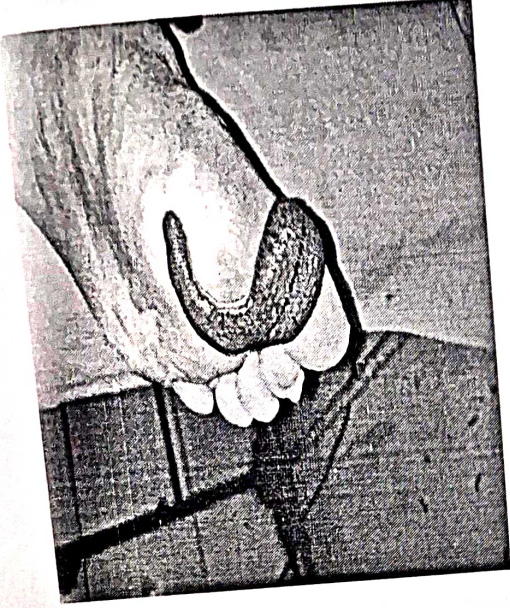

It is a effective para surgical procedure used for skin related problems , vascular diseases , varicose veins , arthritis.

Application of Jalauka before, during and after the procedure, complications and its management were explained to the participants.
